

Recommendations for Initial Order

YOUR INITIAL ORDER SHOULD CONSIST OF:

1. Products that *your household* uses (switch over from other brands to MK).
2. Products that your *customers* want.
3. Additional products you want to have on hand to *demo with* (ex: Satin Lips Set, Firming Eye Cream).
4. Then “fluff up” your order to the level you want with Best Selling Items and more.
