Hi _____, this _____ with Mary Kay Cosmetics! Do you have a quick minute? Great! I am so excited! I am going full-time with my mary kay business and my director gave me a challenge to have a 10 show week on March _____!! She asked me to make a list of friends that would be willing to help me out with my challenge and you were one of the first people I thought of! Basically I come over and pamper you & 5 of your girlfriends (non-mary kay users, over 18, & hold on the date) with our incredible products and I give you 50.00 in free mary kay products for helping me out!! Is a weeknight better or weekend? R or Sat, 3pm or 7pm? Great!!

Who will you be inviting to your girl's night out? I will call them tomorrow to ask them a few questions about their skin so that I can be prepared for them. So, please call them to invite & tell them that I will be calling so that they don't think I am a freak, hehe!! Thank you so much for your support!!!
