## SPA SOCK CUPCAKES 2012

### *Supplies:*

Spa socks, a thick fuzzy style Rubber band  
Large Baking Cups  
Ribbon to coordinate with your paper and sock colors  
Buttons, tags, sparkles or other bling of your choice  
Cellophane cupcake bags

Turn thick, comfy spa socks into gorgeous "cupcakes." To complete the illusion of a bakery treat, slip them into cellophane bags tied with a bow.

The only limits to your creativity are the colors of the spa socks that you can buy. Shop for the large baking cups first /coordinating colors for the cupcake wrappers. Spa-sock cupcakes make great "Secret Santa" gifts, stocking stuffers and party favors, "With a little creativity, you can decorate the cupcake wrapper however you'd like using items you may already have.

### **Directions:**

Remove all tags from the socks. Lay them flat, one on top of the other. Beginning at the toe end, roll up the socks, keeping the "non- heel" edge even as you roll. Place a rubber band on the lower half of the sock roll to secure it. One edge of the sock roll will be flat; that is the bottom of your cupcake.

Set the cupcake on its bottom. Using your fingers, pull on the top edges of the cupcake to make the edges of the sock look like swirls of frosting. Start by gently pulling up on the middle of the sock and rolling upward to make a slight peak and work down from there. If you pull the "frosting" too high, smash it down with your hand until you get the look you like.

Place "cupcake" in Baking cup, and insert lip balm, lip gloss, lip stick, whatever into center. Put some kind of decoration on the top of your creation.

Insert the rolled sock into the cupcake wrapper and position it to your liking. Use coordinating ribbon and make a bow to adhere to the wrapper front. You can use buttons, snowflakes, flowers or stamped tags to decorate your bow.

For a finishing touch, place your cupcake in a clear cellophane bag and tie the top with coordinating ribbon.
