# How to Put Together your **GLAMOUR KIT**

If you are using the **Quilted Cosmetic Bag**: Remove the mesh velcro pouch and the other 2 cosmetic bags from the Black Quilted Bag. Fill your display trays with your Mineral Eye Colors, Cheek Colors, and Pressed Powders, then put flat inside quilted bag. Place your Brush Set on top of the Display trays. Store your Mineral Powder Foundations, Mineral Powder Brushes and Compact in the mesh zipper section of the bag.

If you are using the **Organizing Caddy**: Arrange the velcro tabs to create 3 separate sections within the caddy. Put all of your Demo Trays in one section of the caddy and your filled brush set in another section. Then, place your Mineral Powder Foundations (standing up) in the third section. Your compact and other demo products/applicators can be placed in the outside pockets or in the mesh zipper bags from your starter kit.

Display Tray #1: Sheer Mineral Pressed Powders

Display Tray #2: Mineral Cheek Colors

Display Tray #3: Mineral Eye Colors

You can also print the Mary Kay Color Shade Chart from the FedEx Doc Store through [marykayintouch.com](http://marykayintouch.com)

**Professional Brush Set and Zipper Pouches:** Include all other glamour items in the zipper section of the Brush Set (concealers, facial highlighting pen, eyeliners, mascara, eyebrow pencils, etc.) Applicators and Mascara Wands can fit in the middle section of the brush set and all lip products can be stored in one of the cosmetic bags that came with the Quilted Trio and then displayed in the Lipstick Caddy at your appointments.
