K

Kit

How much is the kit

How many of you have spent \$100 on something before that didn't make you money.

I call this the walmart decision. Push a cart at Walmart... you've got 100 bucks

It's not life altering like having a baby, buying a house, getting married

But \$100 in MK can change you and your families life forever

N

Nothing to Lose

No risk opportunity

No Quotas

No Territories

No 9 to 5 & No Boss freedom & Flexibility to work around the needs Of your family
