

# TOP 10 QUALITIES OF A CHAMPION

by NSD Debi Moore

1. You know the victory is won in your head and heart before the work is done; you are committed; you know God gave you the dream and He gives you the ability to bring it to fruition.
2. You know the rules of the game, and you are willing to play the game better than you ever have before.
3. You know that the risk of victory is worth more than the disappointment of failure.
4. You have champion mentors; as Mary Kay always said, "Hitch your wagon to a star." You lean toward, listen to, and ask questions of those people who are where you want to be.
5. You know there is nothing more powerful than a winning attitude.
6. You are motivated by the dream, but your success is MADE by routine.
7. You are focused on maximizing your strengths, rather than protecting weaknesses.
8. You have unquestionable integrity; there are no exceptions. Your integrity is unshakable.
9. You are an extra miler!! You are a member of the "and-then-some" do-ers.
10. You never give up. You know that success can sometimes be delayed, but God's delay is not God's denial.
