Thank you for trying out Facial in a Bag!

Don't you love the way your face feels after using Mary Kay's Ultimate Miracle Set®? These products are formulated to give you the healthier, younger-looking skin we all want.

On the "pampered side" you have the complete Ultimate Miracle Set®. On the other side you have the TimeWise® Basic Set. Can you feel the difference in the two sides of your face?

~ Moisturize - Using the packet of TimeWise® Age-Fighting Moisturizer, squeeze 1/2 the contents onto your fingertips and apply to both sides of your face and throat.
 ~ Eye Cream - Apply the sample of TimeWise® Firming Eye Cream to the eye on the "pampered side." Gently apply it around the eye area.

~ Cleanser - Apply 1/2 the packet of TimeWise® 3-In-1 Cleanser (save the rest for another use) to a wet face and neck. Add extra water to enhance lather. Remove with a warm, wet cloth.
 ~ Microdermabrasion - Splash water on 1/2 of your face. Using the Step 1 Refine packet, massage the contents on 1/2 of your face, (we'll call this side your "pampered side") making sure your face is wet as you massage. Massage for 1 minute and rinse. Pat dry.
 ~ Follow with Step 2 Replenish on the same side of your face. By doing 1/2 of your face, you can compare and see results.
 ~ Now apply TimeWise® Night Solution on the "pampered side" of your face. Let it dry. Follow with TimeWise® Day Solution on the "pampered side," right on top of Night Solution. Normally you would only use Day Solution in the morning and Night Solution at night.
