

# *The Comfort Zone*

Author Unknown

I used to have a comfort zone where I knew I couldn't fail,  
The same four walls of busy work were really more like a jail

I longed so much to do the things I'd never done before,  
But I stayed inside my comfort zone and paced the same old floor

I said it didn't matter that I wasn't doing much,  
I said I didn't care for things like diamonds or furs and such

I claimed to be so busy with the things inside my zone,  
But deep inside I longed for something special of my own

I couldn't let my life go by just watching others win,  
I held my breath and stepped outside to let the change begin

I took a step and with new strength I'd never felt before,  
I kissed my comfort zone good bye and closed and locked the door

If you are in a comfort zone afraid to venture out,  
Remember that all winners were at one time filled with doubt

A step or two and words of praise can make your dreams come true  
Greet your future with a smile, success is there for you!
