

Comes in two formulas to meet the needs of your skin type.

**TimeWise® 3-in-1 Cleanser
and Age-Fighting Moisturizer**

In the evening after you cleanse your face, apply the second part of this duo, **TimeWise® Night Solution**. It optimizes the skin's renewal process to restore elasticity and firmness, which helps lines and wrinkles fade away. This remarkable solution counteracts daytime damage with botanicals and peptides and the Nutribeads® microcapsules burst as you dispense them to deliver fresh, highly effective antioxidants that are essential for the renewal process.

3. Next apply TimeWise® Age-Fighting Moisturizer, using the same upward and outward motion. Lack of firmness is caused, in part, by the loss of moisture and the breakdown of collagen and elastin fibers, which are the building blocks of the skin's structure. This moisturizer gives you the combined action of 10 hours of hydration and our patented complex that accelerates your skin's own natural renewal process for firmer, smoother, younger-looking skin. It's also formulated with an exclusive dream humectant blend, plus powerful antioxidants that guard against free radicals to help your skin look and feel smooth and radiant.

1. Use TimeWise® 3-in-1 Cleanser to cleanse, exfoliate and freshen. Wet your face and apply the cleanser in an upward and outward motion. As you massage the cleanser, removal of dead skin cells, dirt and pollutants that build up on your face daily. The microbeads gently exfoliate, botanicals tone and the exclusive TimeWise® patented complex speeds up the natural renewal process of the skin for smoother, more radiant, younger-looking skin.

Remove your cleanser with a wet facial cloth or rinse with water.

2. Depending on whether it's day or night, you'll apply one of the Dynamic Duo, TimeWise® Day and Night Solution. It delivers our exclusive Pronewal™ treatment for crucial protection during the day and boosted renewal at night for healthier, younger-looking skin.

In the morning after you cleanse your face, apply **TimeWise® Day Solution SPF 35**. Think of this as a veil of defense because it protects and shields the skin from harmful UVA/UVB rays. It also contains antioxidants that neutralize free radicals. Plus, it has calming peptides that relax expression lines and light diffusers to soften the appearance of lines and wrinkles.

The Miracle Set is a premium collection of age-fighting products that delivers these 11 Age-Defying Benefits for ageless skin:
