

# Thanks!

It was great to get to know you today! If you ever find yourself needing more income, more flexibility or just some fun girl time I'd love to share how Mary Kay can provide that! Or if you are curious or have a friend who may be interested call my hotline and hear more on your own time 951-262-3362

I pay for referrals! Know someone that would be great at what I do? If they call me and get started I pay you \$50 in FREE Mary Kay products!!!
