

1. **Cleanse**—using the packet of **TimeWise 3-in-1 Cleanser**, squeeze 1/2 the contents (save the rest for another use) into your hand and with your fingertips, massage all over your face, avoiding the eyes. Remove with a damp cloth.
 2. **Feel the Miracle**—In the morning, apply the **Day Solution**. This has **SPF 75** and is your defense during the day from damaging **UVA/UVB** rays. At night, apply the **Night Solution**. This will revitalize your skin while you sleep. Let dry.
 3. **Moisturize**—using the packet of **TimeWise Age-Fighting Moisturizer**, squeeze 1/2 the contents into your hand and massage all over the face and throat, again avoiding the eyes. We have fabulous eye cream for the delicate area around your eyes.
 4. **Finish your facial** with the enclosed **Color Card**. The card contains three eye colors, a cheek color, and a lipstick. Use the applicators provided for your convenience and enjoy creating your new look. That's it! Don't you look and feel great?!
