

HAVE A “GRAND” WEEK!

Get ready to rev up sales in the month of May with the
“Have a GRAND Week” sales Challenge.

End the Seminar Year with a BANG when you generate a
minimum of \$1,000 in suggested retail sales *any* (or each) week during the
month of May!

Consider thinking of it as selling five TimeWise Repair sets at the suggested
retail price that week!

And submit your **tips & share your success stories** on the
Lets’ Talk BLOG POST

(blog link is on your Intouch website under “Have a GRAND week in May” tab under NEWS)
& when you do, you will **have your name entered into a drawing of all
eligible posts submitted that week for a chance at winning**

\$1000 in American Express gift cards!

There will be three winners each week.

The winners’ posts will be featured on the Company’s *Let’s Talk* blog.

*When you complete your “GRAND” week (or more) & place
your \$600 wholesale order* (or more) in the month of May,
this Glitz & Gold Calculator is yours.
Skimmer and shine like a superstar with this glamorous gold
embellished MK® calculator that
features an ultrasleek design and includes
easy-to-press buttons, auto power off and solar power with bat-
tery backup functionality.
It’s the perfect size to carry in your pocket or purse.*

*\$600, or more, wholesale order must be into the company by May
