

WELCOME TO MARY KAY!

Your Director: Maria Edgington 405.315.5651

We are SO excited to have you join us!!

~Here are your First Steps to get your business off to a great start!

1. Your most important training is New Consultant Orientation.

It is time-sensitive! Go to www.unitwise.com. Click on "Our NSD's" and go to NSD Tammy Crayk. Click on her picture. Scroll to the bottom of the page and click on "Audio & Video Training" under Education. Scroll down through the trainings and click on "**New Consultant Orientation**". Listen to this, **with your spouse or significant other**, within **48 hours**—When you've listened within the 48 hours, call or text Maria and you'll get a FREE Satin Lips Set!!! (this link doesn't usually work on your iphone or ipad...a laptop or pc is usually best.)

2. Maria will call or text you to schedule a time to customize your Personal Business Plan

It is VERY important to listen to the online training **before** meeting with Maria—this helps our business planning session make more sense and cuts the time down substantially!! Thanks for following this step.

CONSULTANT WEBSITE: www.marykayintouch.com ~Enter using your MK Cons Number & password which is your mother's maiden name. You can then change & create a different password. Here are a few things you need to know about the site:

1-DO NOT PLACE A PRODUCT ORDER (pretty please! :) until after talking to Maria and doing your Business Plan Appt. There are a lot of free bonuses based on your first order and I don't want you to miss out on those.

2-Check out the "Product Central" & "Education" tabs on the website. They have GREAT information on the product and how to make your business successful and FUN!

3-Complete the First Steps box on the home page. It has other tools that will help you in your business.
