

WELCOME TO MARY KAY!

Your Director: Carrie Carlile, 801.913.6967 cell

We are SO excited to have you join us!!

Here's what to do in your **FIRST 5 DAYS** to get your business off to a SUPER start!

1. Your most important training is New Consultant Orientation.

It is time-sensitive! Do this within 48 hrs.

Go to www.carriescarlile.com. Under Welcome, click New Consultants. Watch the series of short clips while viewing the corresponding documents. It's best to watch with your significant other/spouse present AND you will get a prize when they watch with you!

Please let me know if viewing the Orientation is a hardship for you & we can meet to do the whole Orientation by call or in person.

2. Carrie will call or text you to schedule your New Consultant Call time.

For watching the video series before your call time with Carrie, you'll receive your choice of a Satin Hands Sets! (Peach Smoothie or Fragrance Free)

You MUST watch ALL clips before your New Consultant Call with Carrie—this cuts the call time by 3/4!! You'll be rescheduled if you haven't watched before your call.
