**When I first conceived the idea of Mary Kay Cosmetics, it was my dream to build a company based on the Golden Rule. It was and is my sincere desire that each and every one of our Consultants learns to live by this beautiful rule, not only in her career but also in her personal life. I have found the Golden Rule is the secret of a happy, fulfilled life. If there ever is a question about how to deal with a situation, simply put yourself in the place of the other person and treat that person as you would want to be treated. I promise you that, in the long run, you will always gain much more than you may lose.**

~ Mary Kay Ash

**Celebrating 50 years: Mary Kay Ash taught us how—go live your dream! One Woman Can!**

Dear Dream Team,

The month of February the company challenged the directors to increase their unit 13% from last year. I had a contest for every \$600 wholesale order submitted your name went into a drawing for a \$100 bill and for every \$450 order your name went in for a \$50 bill. At the end of the month if we met our 13% goal I would do a drawing for the winners. Well..thanks to everyone...we did reach our 13% goal so thank you thank you!! **The winners are: Chris Renzi \$100 and Kat Roedell \$50!** **Congratulations! Please continue to grow our unit as we were #10 in the State of NH! On our way to #1.** That means each person counts...each order counts...each new team member counts so let's make it happen!!

We're in the final four months of this seminar year! How will yours end? These four months are similar to the close of a skin care class. You've done the work. You've spent the year showing our product to others, telling your I-story, painting a picture of what our product can do for them, and you've come to the part where you ask them, "What would you like to take home tonight?"

March is the moment for movement, fun and color! What color should you paint your world this month? I vote for Green or RED! We usually associate green with March for St. Patrick's Day- and who isn't looking forward to some extra money this time of year? It's earned by holding classes! Lots and lots of classes. This is the perfect month to book them as well. We have fabulous new products, Discover What You Love, and the weather is changing so that we all want to get out of the house and are looking for the next fabulous thing to do with our girlfriends! It's time. Time to come out of the "hibernation" you've been in all winter and give your business some air! It's time to dust off your calendar, call your clients and book, coach, sell and share! We are growing our unit by leaps and bounds and will continue until we become a BMW Car Driving Unit! Mary Kay is giving you all the tools you need to make it a success!

Do you want a free car? A family vacation? How about some extra money? Just what do you want to "take home" and achieve by seminar? Together, we can map out a plan to make your dream a reality- all you have to do is keep at it till it's done! You can achieve whatever goal you have by building your team and helping them step on up! Mary Kay is making it so easy with their great team-building promotions, the launch of some amazing spring products, and our incredible opportunity.

It's time to move on up to Red Jacket! It takes just a little more effort to share our career opportunity. It's easy to go from Sr. Consultant to Red Jacket, but that extra effort can make all the difference in the world! A Red Jacket shows that you're willing to work a little longer, a little harder, a little more. It shows you are willing to step on up from a fun hobby to a part-time consultant. Red Jackets are more likely to be star consultants, since they're out holding appointments to meet those prospects. Anyone who has been in this business for a little while and is working full circle should be a Red Jacket! If you hold 1 class a week, you should definitely be one! Make that your goal! We want to have Red Jacket Parties and celebrate your success! Share the gift of this business and give women hope.

Focus on moving up just one step, and you'll be amazed what it can do for you! Without a goal- you won't be able to measure your success! Not only can you wrap up your end-of-the-year goals, but you can shoot for the moon next year with the momentum you'll have!

With much Love & Bee`lief,

Linda

- Month 2: 2 + 2 = 4
- Month 3: 4 + 4 = 8
- Month 4: 8 + 8 = 16
- Month 5: 16 + 16 = 32
- Month 6: 32 + 32 = 64
- Month 7: 64 + 64 = 128
- Month 8: 128 + 128 = 256
- Month 9: 256 + 256 = 512
- Month 10: 512 + 512 = 1024
- Month 11: 1024 + 1024 = 2048

# WHAT IT MEANS TO WEAR RED!

**RED** signifies vibrancy and confidence. It is an exciting color that arouses emotion and represents vitality and intensity. How appropriate that our company selected this color to identify those who employ these qualities to make their careers a success. Those with **RED JACKETS** feel very special about them. My **RED JACKET** evokes a deep sense of pride whenever I wear it.

Thanks Deborah Roebuck!

### To me, it means several things:

**SELF CONFIDENCE** My **Red Jacket** shows trust, belief, boldness and assurance. Many of us have lacked in this area at one time or another. My **Red Jacket** gives me confidence. It tells me I have reached a certain level of achievement. I have set a goal, attained it, and am making a success out of my business.

**DETERMINATION** It shows that my work is purposeful and worthwhile and that what I am doing is a credit to those represented by this jacket and to myself. It gives me determination to keep going forward and to let nothing hinder me from becoming successful.

**PERSISTENCE** It shows that I can hurdle obstacles that appear in my path and keep my mind shut against negativity. It means "stick-to-it-iveness" and refusing to let people or projects sidetrack me from my primary objective.

In a word, my **Red Jacket** symbolizes **SUCCESS** !! Not just mine, but also the successes of all those women who have made it possible for me to wear it.

Class of 2014

We're stronger than our fears and more competent than our worries. The next time you find yourself worrying, step back for a moment and reflect on past worries. Doesn't it seem all too familiar? Is it possible that you're merely repeating a mental exercise? Do you think the worry is going to help? Aren't you going to do whatever you're worried about anyway? What's the point of the worry? I think these are really important questions. And I believe that if you take the time to reflect on them, you'll agree that if you "feel the fear and do it anyway," all will be well. And once you get the hang of it, the worries begin to go away.

### **Words of Wisdom From Mary Kay Ash**

*The real success of our company is measured to me in the lives that have been touched and been given hope, and a new lease on life that a career as a Mary Kay Consultant has given to so many.*

ONE WOMAN CAN AND THAT WOMAN IS YOU:

## **Dealing With "NO"**

*By Sarah Scaffidi*

It's a one-word answer. The word "NO." Some people really have a tough time accepting the fact that they are going to hear the word NO fairly often. They get discouraged and feel rejected because they look at the word NO as a negative. Nothing could be further from the truth. The word no simply means that nothing changes. Think about it. You approach your neighbor and ask her to be a hostess; she says NO - what changed? Is she still your neighbor? Yes. Did your income go up or down? NO. Nothing changed. It can't be a negative; to be negative, things would have to get worse, and they didn't. Everything remained exactly the same.

On the other hand, suppose she had said YES. Now, there are some positive changes. She received YOUR COMPANY'S INCENTIVE FREE (a positive). You gain several more customers, potential hostesses and consultants (another positive), and you earn more money (another positive). You can see by this example that there are no negatives in our business. There are only positives and times when nothing changes. Set a goal for yourself of getting 100 NO's crossed out within the next five days. If you want to see your business explode with growth, take this exercise seriously. Here is a hint that will make this easier. Triple up. Ask someone to:

1. Become a Consultant with YOUR COMPANY. If they say NO, cross out NO and ask them to....
2. Become a Hostess. If they say NO, cross out a second NO and ask them to...
3. Give a customer referral. If they say no again you have already gotten three NO's!

You will never be better at getting NO's than you are right now. The more you do this, the tougher it becomes to get those 100 NO's. You will find that a YES will creep in there every once in a while. Don't take this exercise lightly . . . it works! Get those NO's now while it is still easy for you to do so. Don't wait until it becomes difficult for people to tell you NO! That time will come soon enough.
