The Mary Kay Foundation is dedicated to ending women's cancers and domestic abuse.

Throughout her life, Mary Kay Ash showed others how to live and how to give. She gave hope to women who lacked opportunity, self-esteem, and financial support. Now her legacy of love lives on through the Mary Kay Foundation, which she began in 1996. Our mission is to eliminate cancer and to end the epidemic of violence against women. You can make a difference in the lives of women across the nation.

We are "Kicking Cancer One Face at a Time"!
