

Since I am moving up into management, part of my training is to find out what women in this area are using for skin care. You are already receiving \$10 in free product for being a woman of your word and allowing me to pamper you. PLUS, I have been authorized to give you an additional \$1 in free product for every survey you get filled out before we get together, with a limit of 20. I'll be calling you on _____ to find out a little more about your skin and what you want to learn. Thank you so much for helping me with my training!
