

Full Circle Lead Generation SMILE

NSD Diana Sumpter

It all starts with a one-on-one appointment. Book 8 facials to hold 5 in a 1 week period and take them through this process. Let her know she might feel more comfortable if she had her best friend there to critique your work. (I don't try to get more than one on this appointment because I don't have enough leverage with her yet) If booking in person, hand her a microdermabrasion sample in a goody bag as a hold over gift. If booked 10 days out, mail it to her or drop it off to her. Your mission is to get 10 good leads from each facial.

S – Surveys and Advanced Thank You Note

Advance Thank you note with Surveys. Send handwritten note thanking her for getting together with you for ____ reason (portfolio, opinion or pampering). It could go something like this:

Dear Susie, So excited to get to together with you on Tuesday_ at 1:00 your house. I have told all my MK girlfriends about you. We are going to have so much fun! I have your gift ready and can't wait to have you experience our product, get you set up for your virtual makeover and get your opinion. Susie, it is women like you that make my business so much fun!

Then include 3 pages of surveys with this note stapled to surveys:

Since I am moving up into management, part of my training is to find out what women in this area are using for skin care. You are already getting set up for your free Virtual Makeover, just for being a woman of your word and allowing me to pamper you. PLUS, I have been authorized to give you an additional \$1 in free product for every survey you get filled out before we get together, with a limit of 20. I'll be calling you on the day before our appointment to find out a little more about your skin and what you want to learn. Thank you so much for helping me with my training!

M – Make a List

We are going to play a little game so you can get some FREE product! Flip over your Create A Roll up Sheet. You will receive \$1 in free product towards any of the sets you purchase tonight, for every name, number and best feature you put down. When I call her, I will let her know you have treated her to a 45 minute pampering session, a virtual makeover and a free gift from you, all at no cost! Can you think of some people you would love to pamper, who are over worked and under-appreciated? (Pull out your Portfolio Book) Let me show you my Portfolio Book! It allows me to spotlight different types of women I facial. Who do you know that would like some free advertising? This would be for my Networking Portfolio

or who do you know that works in the volunteer field? In appreciation for their service, I could spotlight them in my Volunteer Portfolio or maybe you know women from other states or countries and I could spotlight them in my American Beauty Portfolio. So, everyone pull out your cell phones and let's get started! First one who fills in all 10 lines will get 10 more tickets!

I - Individual Consultation

Romance the Hostess program and surveys and how the surveys can find out who is interested without her feeling compromised. Have her start her wish list, by circling the collections she would like to treat herself to if money was no object, you will find her reason to book. See script below

L - List of People

Pick the surveys up two days later and get her guest list. Create a folder for each Hostess, with her Surveys prior to appointment, guest list, and surveys from Hostess Program, Name Game List and her Create a Roll up Sheet. You will use them to help her find her people to join her at her 2ND APPOINTMENT. After her 2ND APPOINTMENT, they go in my booking spiral so I can book individually.

Individual Consultations

(Make sure they have their Profile Card and Create-a-Roll-Up sheet with them)

1. *"Did you have fun? What was your favorite part?"*
2. *"Do you love the way your skin feels?" (Smile, nod and rub your cheek)*
3. *"I see you marked ____ sets. If we did some creative financing, how can I help you take home one of the specials tonight?"*
4. *"The next thing we need to do is set up your 2ND APPOINTMENT, which of these time slots works the best for you? Hand her a Microderm sample as a present and reminder.*
5. *"____, I am so excited we are getting together on (date) for your ____ 2ND APPOINTMENT! If I could show you how to get up to \$100 in free product, would you like to hear more?"*

- 3 pages skin care surveys
- 3 pages outside orders
- Recruiting Brochure
- Cover Sheet

6. *"You know I want to work with you, right? You are (sincere compliment) and I think you would be a great addition to our family...Now, you may not want to work with me and that is OK. (pause and wait for her response)*

If it is positive:

Is there any reason why we could not get your starter kit ordered tonight, it is only a \$100 investment!

If she has concerns but not a definite no:

"Great! What about Mary Kay intrigues you?" (Do not overcome objections at this point; just acknowledge that they are legitimate concerns?)

"Can I give you some food for thought? I don't know if this is anything you would look at, but when I pick up the surveys tomorrow or the next day, could I take about 20 minutes and show you how MK could work for you and your family? It may not be for you right now but that way you could make an informed decision and you would be under no obligation and I would love to work with you."

Hand her Recruiting packet: Company Brochure, Agreement and 6 Avenues of Income Sheet.
