But women are impulsive and will purchase more if you offer on the spot delivery!

At the end of the summer you may put your 'outside' business on hold and just take reorders for the fall term. During the winter break pick up your business in time for the Holiday Selling Season!! You may put your 'outside' business on hold again for the Spring, pick it up at Mother's Day, then get ready for extra income for the next 12 weeks of summer!!

After the initial 12 week Pilot Program you may assess your results. If you have not had lots of fun, made an excellent hourly income, helped women feel better about themselves –or just plain decide that a part-time career with Mary Kay is not for you, *just stop working your business!!*
No strings attached – totally risk-free!!

You've got nothing to lose. The possibilities are endless. Wouldn't you agree that you'll never know if this career is for you unless you give it a shot? By the way, how would a **BRAND NEW MALIBU** look in YOUR driveway this FALL?
