

How do I become Miss America?

1. The first Beauty Consultant to recruit a new beauty consultant in a state will be named “Miss” for that state. For example, on June 1st Robyn Engelman recruited a new consultant in Florida so she has been named Miss Florida! (Congratulations Robyn!!!)
2. At the end of the Seminar Year (or when we have recruits in all 50 states!) the Beauty Consultant with the most “Miss” titles to her name will be crowned Miss America!
3. The recruiting numbers started from scratch as of June 1, 2013 so if you had recruits in other states before that they do not count towards the Miss America contest. So if I had a recruit in New York on May 31st or earlier, they do not count.

I can't wait to see who will be our Miss America!!!

**Will YOU be
Miss America???**
