# Leadership Cruise

Carnival Elation  
**JANUARY 6 – 11, 2014**

Ports of Call: New Orleans, Louisiana; Progreso, Yucatan, Mexico; Cozumel, Mexico; New Orleans, Louisiana

## How can you earn this trip?

**Become a director by June 30th 2013 and the cruise is on me!**

*If you are married and would like for your spouse to also travel with you, then YOU can qualify him for his cruise to be paid for by becoming a Sr. Director and having an offspring director debut by Sept 30th 2013 in which I will also pay for your husband's cruise as well.*

**You must maintain requirements for directorship through December 31st 2013 with minimum 24 team members and car achiever level.**

*I chose January 6th – 11th as you will already need to purchase a ticket to and from for Leadership conference to New Orleans for January 12-15th conference. We will all just need to get our flight/tickets for 6 days earlier if you plan to qualify and go on the cruise with our area.*

*Details: Leadership conference is in New Orleans January 12-15th so as a Mary Kay sales director this is a conference that you will need to attend. Travel arrangements to and from New Orleans will be your responsibility for you and your spouse as well as daily drinks and gratuity on the ship.*

*Disclaimer: There is no cash value or rescheduled dates due to inclement weather conditions associated with Carnival Cruise lines.*
