

# Professional Networking Portfolio

Women  
helping  
Women

It's often been  
said your  
network is your  
net worth. So  
let's take this  
opportunity to  
power  
up.

Mary Kay  
Recognizes:  
Everyday  
Heroes

Everyday heroes are the women who exemplify outstanding service or achievement in their field. From the professional woman who runs her own business to the woman who may have touched your life or the lives of others.
