We Set Another Amazing Record!

58,808! That's the new Mary Kay record for the most number of makeovers conducted in 24 hours! That's right — during the MK Makeover Day on March 8, 58,808 women attended events in your homes, training centers and the live event at our World Headquarters in Dallas! What an amazing number! And here's another amazing number.... 11,640, the number of Consultants who participated in the makeover day! It was truly an exciting day, and we're thrilled that so

many women around the country had the chance to experience a wonderful makeover, and to "discover what they love" about Mary Kay products.

Celebrating 50 years: Mary Kay Ash taught us how—go live your dream!
One Woman Can!

Dear Girls on Fire,

Hats off to those of you who attended Career Conference! What an inspiration and true motivation!!! I always come home dreaming big, setting God-sized goals, and feeling re-energized! Make the commitment now to attend SEMINAR this July! You will not believe the excitement! Dreams are born here! I want each of you to be a part of dreaming bigger than ever before. The stories, training, information, and preparation for what's coming and making your dreams a reality are amazing!

It's time for an amazing April! Color is everywhere! Our new products are making news and are quite a splash of color! I've already heard so many success stories from our unit members about our amazing new foundations. Plus, MK has just launched the Foundations for All section to take the guess work out of things. It's hard not to get excited about them. Have you ordered yours? If not, now is the time—especially so you are prepared for Mother's Day!! Make sure to stock up on basics as well for all of the color appointments you'll be holding this month. They are so easy to book!

There are so many women just waiting for the perfect opportunity to come their way, and with the **Share the Love Promotion**, now is the perfect time! We all could use some extra spending money right now. Mary Kay makes a great part-time supplemental income in any household. How do you spot your next potential recruit? She'll be a great hostess who loves our products! Mary Kay can fit just about any personality type! The key to a successful team relationship is in choosing a high caliber woman with whom you enjoy working. Make sure to have each potential team member hold a class before holding the interview. If she is not willing and excited about hostessing a class, she probably won't want to hold them as a consultant either. By selecting team members who are excited about what Mary Kay has to offer, you will also select women who are willing to use this opportunity to fulfill their needs & dreams. Plus, Doug Shulman, the commissioner of the IRS, notes that "80% of Americans get an average of a \$3,000 refund," so now is the perfect time for them to get started.

Have you considered the fact that Mary Kay is a part of your path so that you can enrich another's life? I believe that you are not here by chance or coincidence! This is your time to step up to the plate, reach out, and SHINE! Make a point of offering the Mary Kay opportunity to each person that you have not approached and that you think would make a quality team member! Let them say no. There are so many grand opportunities for New Consultants right now! Go onto the Mary Kay website and get excited about all that they are offering! We have amazing products! We have amazing opportunities! We have an amazing circle of friends, support, belief, and materials to help us succeed in Mary Kay. The choice is ours! Make the choice, TODAY, to make your dreams come true!! Set your goals, and then plan to make them happen each day! I know you can do it! I believe in you! You are here for a time such as this! Make each day count!

Love and Belief, Debbie

Does your day ever feel like this? But First...

I can't wait to make my booking calls today, but first I am going to tidy up a bit, just in case someone stops by. You know, while I am tidying up, I should really throw a load of laundry in the wash. Oh, while I am in the laundry room, I should sweep this kitchen floor, and clean up those counter tops from making the kids' breakfast. Oh, I really need to take out the trash... you know, those flowers probably need to be watered. Back inside to do my phone calls... Oh, the laundry is done, I better fold that and put it away. Guess I'll watch my favorite show while I fold. You know, I should check out that website they mentioned before I forget... Oh— look at all these e-mails I have from friends, I'll just check those for a second. I should call Sue and see how she is— she sounded down. Sue mentioned this great sale at the store, I should go check it out while I have a minute. I better hurry home and start dinner! My, how time has flown today!

for Women!
Team Up to Make a Difference
Mary Kay Ash believed in the power of women — especially when they work together to help others. Today, The Mary Kay Foundation carries on this legacy with *Team Up for Women!* From **now until May 12**, Consultants are reaching out to women everywhere in our annual *Team Up for Women!* fundraiser.

What better way to honor Mary Kay's birthday than by supporting her Foundation? With your help, we have donated more than \$55 million to fund research for cures for cancers that affect women and to provide grants to women's shelters and other non-profit agencies to help stop domestic violence. As you know, these two causes were close to Mary Kay's heart, so we honor our Founder's legacy of giving during Team up for Women fundraiser.

KNOW YOUR GOALS

You can't manage your time if you don't know what you're trying to accomplish. When you have well-defined goals, you also know if you're on track to meet them, and if your time reflects your priorities. If you spend more time doing things that aren't helping you meet your goals, it's time to refocus!!

Vague generalizations and wishy-washy statements aren't good enough. For example, if someone says, "My goal is to be financially independent," what does that really mean? For some people, financial independence is having \$50 million saved and invested. For others it's earning \$100,000 a year. For someone else it's being debt-free. What is it for you? What's your number? If this is an important goal for you, take the time to figure it out.

There are really two options in life: You can be either reactive or proactive to circumstances. And it's a lot more fun and less painful to be proactive- to make decisions about your life before events take control of you.

Habits are the patterns of your behavior. Habits are dangerous because they can make your life a series of mindless actions. Many people go through their entire lives living a life of habituation. They get up at the same time, jump in the shower with their mind racing, eat the same breakfast day after day, drive the same roads to work, and do the same tasks at the office each day. The neuropathways of the brain get reinforced over and over again, day after day, year after year, decade after decade. Our life can become a collection of mindless, almost thoughtless habits.

I hope you have seen the movie *Groundhog Day*, where actor Bill Murray plays Phil, an arrogant weather forecaster who gets trapped in a time warp that has him reliving the same day over and over. He gets up every day repeating his same behavior and gets the same results. He gets very frustrated until finally one day he changes his behavior. Phil's life totally changes when he changes. It is difficult to discover true happiness when we are living each day as if it were *Groundhog Day*. For many of us it feels like stepping on the same treadmill each day, with it preprogrammed to the same speed and an exact length of time, therefore yielding the exact same results each day. Albert Einstein said it best. "Insanity is doing the same thing over and over again and expecting different results." The principle of cause and effect ties into the problem of habituation. So many of the individuals I have counseled over the years have lived lives entrenched in habituation and their precious lives have passed them by.
