New Director Alisa "Renee" Blodgett

Family- At home is husband, Dale and our 2 fur kids Abby, Golden Retriever and Bailey, Teddy Bear. 4 Grown daughters, 6 grandchildren and 2 great-grandchildren.

Favorite time of day mid morning to early afternoon.

All-Time favorite movie is Brian's Song.

All-Time favorite song is How Great Thou Art.

Hobbies are golfing, Iowa Hawkeye football and NASCAR.

To unwind I like to sit in the hot tub or on the deck with the fire burning, staring up at the stars.

Favorite vacation destination is Disney World for family vacations. Grand Tetons for a relaxing vacation with Dale. The mountains are so majestic!

Favorite meal is Surf and Turf.

I would love to have a conversation with my Dad. He died when I was senior in high school. I don't know many 17 year olds who talk to their parents about the really important things in life, or things they may want to know one day. I know I didn't. Now there is a lot I'd love to talk with him about.

People would be surprised that I served 25 years in the US Army and retired as a Sergeant Major, A position only 1/2 of 1% will attain in their career. I retired at the age of 46.

One person who influenced my life is high school basketball coach Bud McCrea. Much like Mary Kay uses cosmetics to impact women's lives, he used basketball to teach life lessons. It was him that first taught me that the team is bigger than any one individual, respecting someone's position and liking them are two different things, and attitude is everything.

New Grand Achiever Director Miriam Elizabeth Orta

Family- Husband, Yuri Alberto Orta, 3 daughters Kathleen 13, Lee-ann 12, Yiannie 7, son Matthew 3 and mother, Miriam M Salinas

Favorite time of day When I come home to my family and see my children doing their homework or playing together and when they see me they jump and say mommy is home! Yei! Yei!! And they all run to hug me. I feel happy and at peace and I can take the afternoon off just to be with them without asking for permission.

All-Time favorite movie is Notebook.

All-Time favorite song is Angel.

Hobbies are sealing, jewelry making, baking.

To unwind I turn up the volume of my car stereo and sing at the top of my lungs. I dance or I go and get a pedicure with my friends.

Favorite vacation destination is Cozumel Mexico and Niagara Falls, Canada.

Favorite meal is Italian, rosemary lemon chicken from Johnny Carinos and New York cheesecake.

I would love to have a conversation with God, my husband, my children, my Mom and good friends.

People would be surprised that I am very optimistic, out-going, happy and love to help others to achieve and reach their dreams.

My favorite place to shop is Houston Galleria and San Marcos Outlet.

One person who influenced my life my grandfather Robert Burnes.
