AIM FOR RED &

you will be wearing **Bronze, Silver or Gold!**

*You can earn bronze, silver or gold medals for team building.
All you need to do is share the opportunity and you will be rewarded for your efforts.*

Step 1: Make a conscious decision to build your team. You need to actually make a decision to start recruiting. It won't happen unless you decide to make it happen.

Step 2: Define your mission. Why did you choose Mary Kay? What excites you the most? Once you define your reasons for accepting the Mary Kay opportunity, you'll be better prepared to share it with others.

Step 3: Decide who to approach. You want to recruit competent people, but don't exclude anyone. Be open-minded and listen for clues:

- Does she like the product?
- Does she like people?
- Is she tired of her job?
- Does she need extra money?

Look for the need and ask your hostesses who they think would be appropriate for the Mary Kay career. Make a list of "hot" and "cool" prospects. Concentrate on the "hot" ones – those who have a strong need for the career and show interest.

Step 4: Gather and share stories. Tell your I-story and share others' stories. For example, a prospective team member may want to explore this career but her responsibilities at home are holding her back. If you haven't had that particular experience, tell her about someone who has. She needs to relate to someone's experience. As you meet people in Mary Kay, learn their stories and share them.

Step 5: Always be sincere. Women know when you are not sincere. Say something encouraging and be honest: "I really do think you would be good doing what I do and I'd like to work with you." Follow up with a note the next day. Let her know you are interested in her.

Step 6: Call her at work if possible. At work, she is already in a business frame of mind and ready to talk seriously. At home, she might be busy with the family and less likely to make a business decision.

Step 7: Ask her to help you out. For example, "Lisa, I'm working to build my team. I need to talk to five people. Would you please help me out? If you give me the opportunity to talk to you, you can choose a complimentary eye color of your choice."

Step 8: Invite concerns. Ask her if she has any concerns. The most common response will be "I don't have enough time." Break down the time it takes to do this career. Show her how much time it takes for a facial, skin care party, business management and Unit meetings. If she says she doesn't know anyone, help her compile a list of potential customers. Overcome her concerns with concrete solutions.

Step 9: Don't keep her where she doesn't want to be. If she's not interested in accepting the Mary Kay opportunity, put her back where she wants to be – a customer, a hostess or a referral source. Move her to your "cool" list and let her know you appreciate and value her as customer/hostess/ referral source.

Step 10: You can't "lose" someone. If you lose someone, you didn't have them in the first place! Don't think of your prospective team members as someone to "get" or "lose". Remember, that every time you share the Mary Kay opportunity you're-recruit yourself and that's important too.

Recruiter Responsibility Checklist

As a recruiter you have demonstrated the quality of unselfishness by sharing an opportunity to which your new recruit may never have been exposed. If it weren't for you recognizing something special in her, she may have never known about our company. To help her get off to a great start, please do the following:

1. Make sure you are familiar with all of the information in this binder and the training materials that she received from the company. Her Starter Kit will probably be delivered to you. Set up a time to give it to her and explain the contents.
2. Send her a welcome note.
3. Make sure your new recruit is **on the basic** and has any color cosmetic items she needs. Give her samples until her order arrives.
4. **Purchase and present her with her Mary Kay pin** at next meeting. (You can purchase the pins on the consultant order sheet, but if you don't have one, see your Director and purchase one from her.) Introduce her to the other consultants and help her to feel comfortable. Give her the dates of meetings and events for the next 4 weeks.
5. **Attend all training classes and meetings with her** (in some cases you will be her trainer). Watch videos and listen to tapes with her if you haven't seen or heard them. Make sure she has adequate phone numbers of top consultants to call to observe classes.

6. Make sure you receive a list of her first 8 hostesses. Please call to confirm them. Thank them and re-coach if necessary.

This is the telephone approach you as her recruiter should use when confirming your new recruit's first five classes: *"Hello, is this Sarah Johnson? This is Peggy Jones calling. I sponsored Linda into Mary Kay Cosmetics, and I'm calling to personally thank you for being one of her first eight hostesses during her training. She told me why she selected you and that is quite a compliment to you. Now, let's see if the time and date are correct. Your class is scheduled for April 12, at 7:30 P.M."* The recruiter should coach her by asking if Linda told her about hostess credits or certificates- and did she understand? The conversation should be short and end as follows, *"Once again, let me thank you. I know you and all of your friends will thoroughly enjoy the presentation. It was nice talking to you, and I hope to meet you soon."* (Also invite them to the meeting for her.)

Instead of calling, you may want to write her first hostesses a thank you note or email the following hostess letter :

Dear _____,

Thank you for helping _____ to get off to a good start in her career by hostessing one of her first classes on _____. As her sponsor, I can assure you that her first several classes are of the utmost importance to her training. Thank you for your cooperation and support. I'm sure that your friends are going to be forever grateful to you for showing them the way to a lovelier looking skin and the personal service available through Mary Kay. Your friends are in for a real treat when they attend your class on _____ date and time _____.

Sincerely,

7. Have her make two lists: (this is actually part of her homework) a. one of possible classes/facials b. possible recruits
8. Make sure **you don't dump negativity on your new recruit**. That's not fair to her.
9. **Encourage her** and support her.
10. It's a good idea to meet with your new recruit at her home and help her get organized. It's best to do this after she has taken inventory of her first order and has it labeled and put away. Check her hostess packets and other papers. Help her to pack for her first class.
11. **Don't ever borrow products from (or trade products with) your new recruit or any other consultant.**
12. Encourage her to win her **all of the prizes available to her. (Let me know as she wins each.)**
13. Talk to her after each of her first appointments. It's so important that she starts out by developing correct habits for selling basics and booking second facials. Let your Director know how she is doing.
14. Help her to complete her first few weekly accomplishment sheets. Help her to make out her second order and to manage her money correctly.
15. **Most importantly**, be someone she can respect!! Be someone she can model after. She will follow your example.

Agenda for Call: Introduction, 4 KEY Questions, Close

Introduction:

- I have four basic questions for you.
- There is no right answer – just the honest one.
- And, know that I will love you regardless.

1. Tell me a little more about yourself (i.e., family, job, hobbies, etc.)

NOTE TO CONSULTANT: Be mindful of what is mentioned first & most often. Refer to Exhibit A: DISC for Teambuilders.

2. What puts a smile on your face?

3. Tell me about a time when you felt successful. What did you like most about that?

4. Fast-forward a year -- what unfulfilled dream would you like to have come true that you're not living now? Where are you with achieving that goal?

NOTE TO CONSULTANT:

- Listen MORE, talk LESS. Remember: **W.A.I.T.** (Why Am I Talking?)
- Relate the above responses to **some** aspect of the Mary Kay business opportunity based on the DISC chart. [EXAMPLE: If she talks about her children/family, then focus on how her own Mary Kay business will allow her to provide for or spend time with her family.]
- When presented with objections, flip-it & focus on 'selling' the prospective team member **her own** dream – that she has communicated to you during this interview.

Lets get excited!

be a star consultant

WHAT ARE THE BENEFITS TO YOU WHEN YOU WORK AT THIS LEVEL?

- 1. Healthy Cash Flow** - When you're working consistently, you will have cash available for ordering, expenses and income.
- 2. Strong customer base and future team members** - Classes (Parties) are immediate income, but a healthy customer base is your future stability. When you build to 100 customers that you have on your Preferred Customer Program (PCP), you have a very solid, stable business that will not go away. When you are seeing 6-12-15 faces a week, each week--you are meeting enough people to build an awesome team and earn CARS and Directorship, should you choose! I know this to be a fact, for this is EXACTLY my action plan that I took every single week as a new consultant working into DIQ and completing directorship, and on target for the Caddy. My weekly accomplishment sheets reflect an average of 15 faces each week...was it worth it? YES!
- 3. Easy Booking** - It's no secret that booking from classes are more likely to hold--have larger sales--and take less time to acquire. When you hold appointments consistently, and book from them, the challenge is 'Where to fit them all in!' -- not how to find them!!
- 4. Consistent Income** - You and I are sitting on some of the best income potential in the working world right now, yet we don't take advantage of it. Use our incredible marketing plan! If you are going to call Mary Kay a job, be smart and make it provide income!
- 5. Satisfaction of Success** - We all want to know that feeling of reaching our goals...of having found our "place in the sun", of developing our gifts and talents to the degree that we can now affect the world in a positive way with them. Gang, the benefits of Mary Kay's Star Consultant Program are far broader than just a ladder with a star on it, and a beautiful prize. Mary Kay -- in her wisdom -- knew that we needed parameters and minimums in our business, and this is how she chose to provide them. Please work this program now, and I promise you that everything else will flow from it!

2014 is your time
to make choices
that will make you shine!

Dreaming Dreams Worksheet

Your Dream...It must be something that is not related in any way to things you can earn from MK at any time. For example, "My dream is to take my family to Spain at a cost of \$5000." OR "My dream is to pay my child's \$10,000 private school tuition." Anything that you can earn from MK (like a car, star consultant prize, directorship...) is not a dream, it is simply the rewards of your work.

My dream to make come true by _____

is: _____

Total dollar amount needed to make my dream come true: \$ _____

Your Dream Number....Use the formula below to determine your Dream number:

Example: Your **Dream** is to have \$9000 profit in 12 months to remodel your kitchen.

\$9000 divided by 12 (months) = \$750

\$750 divided by .4 (60-40 split) = \$1875

\$1875 divided by 4 (weeks in a month) = \$468.75

Your **Dream Number** is \$468.75. That's what you need to sell each week to pay for your Dream and still be able to replenish your inventory.

\$ _____ divided by _____ months = \$ _____ (a)

\$ _____ (a) divided by .4 = \$ _____ (b)

\$ _____ (b) divided by 4 weeks = \$ _____ = your **Dream Number**

My Dream Number is \$ _____ (Retail)!

Valentine's Day Selling Ideas

Men's Valentine's Gift Show

Pick a weeknight or a Saturday morning and invite men you know: husbands of customers, your husband's or boyfriend's work associates, friends and neighbors - to a gift show FOR MEN! A men's gift show can turn out to be one of your most successful yearly events. Simply invite them by phone or send an invitation (on something masculine that would appeal to a man's taste). When inviting men, promote free Valentine's Day gift wrapping and delivery and your personalized gift suggestion services.

Tower of Love Gift Idea—Super Successful!

This is a great idea for Valentine's Day, it's similar to the 12 Days of Christmas idea. Each box includes a Mary Kay product gift that is wrapped. The gifts are placed on top of each other to form a tower. Call your customers' husbands to sell this romantic gift idea. Explain to him that each day his wife will get to unwrap a gift starting 5 to 12 days before Valentine's Day ... she'll absolutely love this! This awesome idea can help boost your sales tremendously, so start calling husbands today!

Basket of Love (like Tower of Love, but without the tower)

Offer your customers a unique, fun-filled surprise basket from the love of their life. Fill a beautifully decorated basket with gifts with a numbered tag attached. Their sweetheart will open one gift each day. The tag will tell her which gift to open on which day (#1 on the first day, #2 on the second, etc.). She is to keep the tag with the number on it. There is a RED letter on each tag. On Valentine's Day, the red letters will be put together to spell, "BE MY VALENTINE" or "BE MINE!" A card will be in the basket which will read: "You are my one and only! You make my life worthwhile! How empty my days and nights would be without your warm sweet smile! So open one gift each day, my dear, and think of what to say! So you can give me your answer on St. Valentine's Day!" Let your customer know that as part of your service, each gift will be individually wrapped with the tag for that day attached. The basket of gifts will be delivered at his convenience in plenty of time for him to make the appropriate presentation!

Anyone can afford this idea:

Speak with men that you know or those that are husbands of your customers and offer them this affordable service of yours. On Valentine's day, you will deliver a beautiful rose (or a dozen if they want to spend a bit extra) to their wife. With the rose will be a card (sprayed with one of MK's scents) with a beautifully handwritten note and inside the card, will be a gift certificate anywhere from \$5-\$500+ to shop with you, the consultant, after Valentine's Day; also includes a gift certificate for a free facial and free personalized color services. You may also want to include add on gifts like chocolates, bottle of eau de parfum, sparkling grape juice, etc. etc. Be creative and most importantly, make sure that you are giving the wife/girlfriend exactly what she wants, while making the husband look awesome!

**Be creative, remember it is the eye that buys!
Valentine's Day is a HUGE selling holiday!! Say yes to success!**

The Beauty of Friendship

This is one of my favorite booking ideas. It's generous on your part, it's so sweet from the friend's part and the receiver is always thrilled and delighted. At every party I encourage each guest to think of one special friend that they would like me to present a pampering gift to on their behalf. I tell them it's totally complimentary and it's my way to share the beauty of friendship! I usually give a Preferred Customer Program gift wrapped beautifully, a one hour pampering session which includes skin care and color, plus the special note from her friend.

This is what I say when I call...

Hi Jane,

This is Vicki Auth with Mary Kay cosmetics. You don't know me, but we have a mutual friend, Susie Kerns, who was a guest at a recent Mary Kay party. She was encouraged to pick one special friend to honor with a gift, a pampering session, and a note she has handwritten to you! I can't wait to present all of this to you from your friend, Susie. When can we get together for your hour of pampering? Fabulous!

Now, Jane, I want this really to be about you, but if you feel more comfortable sharing this with a friend, that would be fine, too. All I need is your address so I know where I am going and your email address and cell phone number so I can give you my cell number. I'll send it right now.

I look so forward to meeting you.

Guests love giving their friends such a special treat and their friends are deeply touched by the gesture. Consultants who try the program witness many heartwarming moments, and they love keeping their date books full!
