

Just One.....

face at a time is how I built my business, and I am asking you for JUST ONE.....referral!

WHO do YOU know who has skin and would LOVE to be pampered??? The highest compliment you could pay me would be to refer a friend who I don't know to pamper her. I call it "The Beauty of Friendship."

Here's how it works—I call your referral and tell her you gave me her name. In honor of your friendship, you have given her a \$25 gift certificate to spend with me at a complimentary facial/makeover. She can choose—facial with glamour makeover or just a skincare/anti-aging facial. The point is SHE gets pampered. What woman wouldn't love that?

For referring someone to me who agrees to a facial, YOU will receive your choice of any product valued at \$30 or \$30 off your next order as my thank you gift!

Call me with your referral and earn your FREE product!
