

Angelia's Pink Angels

Welcome to The Pink Angels Newsflash.....

At A Glance:

Wow!! Another great month we had in May. The teamwork we are building on is a wonderful thing. It will not only help us to become a “Car Driving Unit” but it will also help Vicki to become the National that she so deserves to be.

This is the last month of the Seminar year. It is now that many of us must dig our heels in and run full speed toward the finish line to complete our personal goals for this year. What are your goals for this month? I would LOVE to hear them. Please email or call me so we can chat.

I am proud to announce the **New Rossiter Unit Website:**

For the Haven of RCS:

Hi Everyone!

I have spoken with some of you but not all so I wanted to send to find out everyone's interest level in participating in a great fundraiser in the next couple of months for RCS Haven. RCS is a large organization that has 4 major outreach programs, one of which is The Haven of RCS... a women's shelter in Pinellas which currently has a grant from MK Foundation.

The Haven of RCS is a Certified Domestic Violence Center, serving Pinellas County for over 32 years. Their mission is to provide safety, support and education to anyone impacted by Domestic Violence and to advocate for social change to end the violence. They offer safe, confidential shelter, counseling/advocacy, a 24-hour toll-free hotline, legal advocacy, 911 cell phones, children's services and support groups to victims of domestic violence. All of their services are free and confidential.

Business Benefits to us of participating in a fundraiser together:

- Book women who might not otherwise book...who can turn down a good cause? (I have actually already booked a couple of parties for the fundraiser even without the materials or having the program fully defined. I just told them that we are working as a group to raise 10K in 2 months. Once the hostess hears about the activity it creates urgency.) (I have already booked a couple of parties with groups that would not have otherwise booked...even without materials to handout yet

- By combining efforts it creates a larger opportunity...much more impressive to tell a prospective customer or organization that you participated in a fundraiser that raised 10K in 2 or 3 months than a single party for \$100. (Cathy said there are only 30 - 40 women participating in her fundraiser, and they are going to probably exceed their 10K goal.)

What are we doing?:

See 2 attachments. (Please note these are DRAFTS... but fairly close to final. There are a couple of DRAFT attachments...one is a post cards to give to hostesses, and the other is an instruction sheet/commitment form for participants.) We are patterning this after the CASA fundraiser that Cathy is doing right now.... they are raising 10K this quarter with only 30 -40 women participating.

And of course please don't hesitate to contact Courtney Taylor at [813-484-0123](tel:813-484-0123) with any questions.
