

24 HOUR SALE

Sell \$24 to 24 People in 24 Hours

Here's the facebook idea

(great for texts too and actually calling or asking in person is always most effective)

For the 24 hour sale, you can say something like this (remember we can't "sell" or advertise on our facebook status but can message people individually -- Also be sure to use your website info instead of mine if you set that up, I don't mind helping you; but, it's easier if you have one): "Hi ____, I'm so excited! I just started a new Mary Kay business and my first contest is to sell \$24 to 24 people in 24 hours. Would you help me? When I reach the goal, one person will get 50% off their entire order and I get an awesome prize too! You can see everything online @

She's my trainer so everything goes through her for the contest, just be sure you put my name in the Comments section when you check out so I get credit! I personally love the new cream eye colors, the mascara and the lip gloss, and they're all only \$13-15. All it would take is a few of those to be one of my \$24 people My contest goes through 5:00 pm tomorrow so, please go check it out now! It's super easy and you can pay with your card securely online. Thank you thank you thank you!!! I really appreciate you helping me! Feel free to pass this on to your friends, too, and if they help I'll put your name in double! Thanks so much!"
