- Hi! My name is Sandy and I hate to interrupt you, but I noticed you have beautiful _____(skin, eyes, hair) and I notice these things because I am a Mary Kay Consultant. Script to use at a restaurant for server or hostess (look for a server with a good attitude if yours is not nice don't ask her ask a hostess instead:

- To waitress: "Hi ____! This is going to sound absolutely crazy, but I practice make up artistry and skin care with Mary Kay cosmetics out of Dallas, TX. My director has given me a challenge to get 20 surveys filled out today and I don't know 20 people. If I gave you 10 surveys and you get the ladies that work here to fill them out, don't rush because I will be here for about an hour eating. But if you get them all filled out and return them to me before I leave. Then I have a free lipgloss or lipstick in my purse you can choose one of your choice to take home with you today. How does that sound?" (this is an easy way to get names quickly).
