

Let's Stay Connected!

Communication determines the healthiness of all relationships. To ensure you're always receiving the training and support you need, please see the different ways we can stay connected!

Lisa

Emails are sent to you several times a week from me for training & information. This also includes emails regarding up and coming events. The email address you listed with Mary Kay is the email address I will add to my distribution list. If you would like to use an alternate email, or would prefer to be on my less often email list please let me know.

My email is: lwarrington@marykay.com

Our Company website is amazing! Enter your consultant number and password to gain access to TONS of information. Plus you can create your own orders online. The Education tab on the homepage will take you to the main training area.

Company Website: www.marykayintouch.com

Our Unit & Future Area Website is exciting & informative!

It's your link to all that is happening in our area! Stay updated & see what is new with products, recognition & area challenges by checking in regularly. There are many training documents to help you in our training center.
