

The Mary Kay Garden

Sales Director Carolyn Jones

Plant a Mary Kay Garden with the following vegetables; watering it daily and watching you business grow!

Plant 3 rows of SQUASH

1. Squash fear
2. Squash doubt
3. Squash all negative forces

Plant 3 rows of PEAS

1. P for patience
2. P for perseverance
3. P for progress

Plant 7 rows of LETTUCE

1. Let us attend weekly unit meetings
2. Let us mentor those we recruit
3. Let us be a good example for others
4. Let us book skin care classes
5. Let us sell our products
6. Let us book follow-up classes
7. Let us share the opportunity with others

Plant 3 rows of TURNIPS

1. Turn up with a smile no matter what
2. Turn up for all Mary Kay events with a guest
3. Turn up with determination to always do your best

Don't forget to water your garden every day by logging onto Intouch and holding skin care classes. Plant you goals and dreams in your mind so that you can water them and watch them grow into a beautiful garden.
