

10 To Win

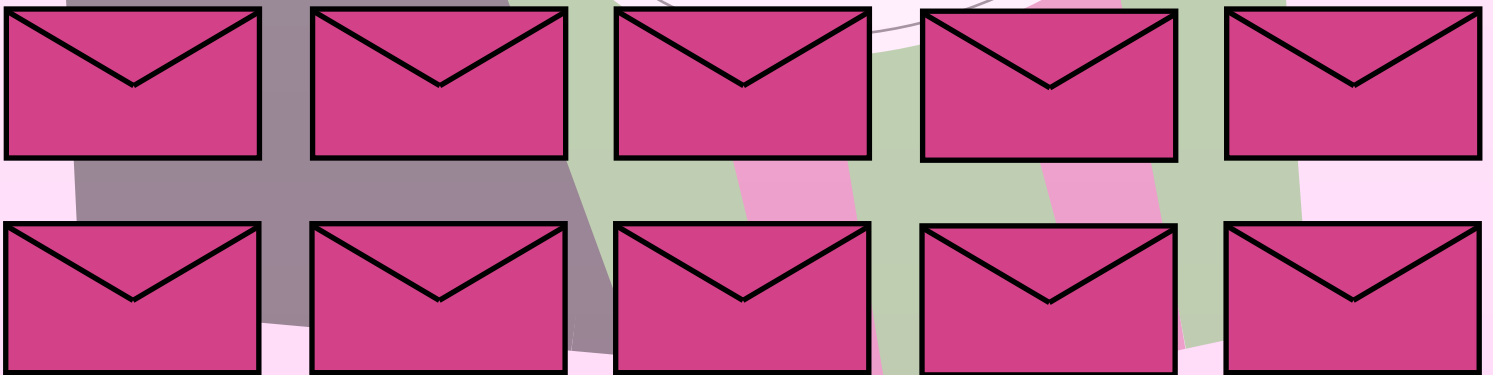

Want to win \$100 cash?

We will have a \$100 Cash drawing once we reach 10 new unit members!

New unit members will get their name added to an envelope. Once we reach 10 envelopes we will have our drawing.

You can have more than one entry!

This means that you could get three team members and have 3 chances to win.

When we hit our 10 you can win!
