

Welcome to the Family!

I am so proud and excited to have YOU as part of our Believers Unit! You are about to embark on a thrilling new career! The opportunities with Mary Kay Cosmetics are unlimited!

The beginning of your business is so important. The pace you set for yourself will most likely set the pace for your career, so please take hold of every piece of information that is provided to you and become a sponge as a new consultant.

As the owner of your very own new business, you have to invest time to LEARN how to be successful at this business. Take the time to learn how to be successful, follow your recruiter around and watch how she works her business, study CD's and online training, attend ALL events, and decide that you will make this work! Eliminate "hope" and "try" from your vocabulary.

One of the key ingredients to your success will be "playing ball together". I look for new consultants who will "play ball" with us and stay connected in the following areas:

- * Attend your local Success Meetings and bring guests.
- * Return phone calls and text messages.
- * Check emails, Our Facebook group, and text messages daily.
- * Participate in Marketing calls & Conference Calls when scheduled.
- * Send in Weekly Accomplishment sheets every Sunday by Midnight.

All of these systems are designed to empower you with exactly the right tools to be successful.

I am committed to helping you succeed! I will match 100% of my time with your efforts! So.....Are you ready to play ball?

Julie Berg
