

find your **kiss personality**

with Maxine Albert

Mary Kay® Kiss & Tell Kiss Cards are a fun tool to use when customers sample the new Mary Kay® Creme Lipstick shades. Print and cut out a card for each customer, and then write the name of the lipstick shade she sampled. Have her make a kiss print on the card. Add your contact information to the card so she'll know exactly what shade she loves and how to get it!

MARY KAY®

Directions:

Apply Mary Kay® Creme Lipstick and then make a kiss print on the back of this card.
