Hey girl,

In this packet is everything you will need to know for your pampering session. I want you to be as comfortable as possible and to have as much fun as possible. So I have included 4 girlfriend vouchers for any girlfriends or family members you may want to bring with you.

I want your friends to feel so special, so each of your guests will receive a \$10 gift certificate from me for being one of your guests.

The address and directions are included as well, but if you have any questions please don't hesitate to give me a call or text.

I am so excited to meet you and get to know you. Thank you so much for letting me pamper you and for helping me with my goal. I can't wait to see you. We're going to have so much fun!

There will also be an 'on time drawing' for free product, for all those who are there right when we start. Your hand treatment and lip treatment will be right at the beginning, and trust me that is something you don't want to miss.

One last thing before I forget, if you use all of your girlfriend vouchers and bring 4 friends or family members, that are female and 18 or older, I will double your gift certificate. So you will get \$20 of free makeup or skincare products of your choice for helping me in a big way with my goal to do 100 faces this month.

*Thank you so much again, you are a lifesaver.
I look forward to hearing from you soon.*
