

Let's Go Shopping!

Give each person a SPRING 2012 Look Book! You read the clues...the first person to shout out the page number where it's found gets the gift passed to her. Whoever has it in the end, keeps it. Use something small, but beautifully wrapped for the gift. It's the search to find the items that makes this game fun. It's a great way to introduce our new products. I update the game with each issue and my consultants love it! I've done this for years for my unit...it's a terrific ice breaker for guest events, product previews or even a business debut. If you do it with both guests and consultants, the guests play for the prize. After playing, guests are excited and ready to shop! This encourages consultants to order new items quickly!
