Tips to have a great time with girlfriends & get you the most out of your time with me!

- Log onto my website www.marykay.com/ you can check out my virtual makeover app there too!
 - Invite 10-12 special girlfriends to attend knowing that only 6-7 will be able to attend. I will send special invites for you & can even send an e-invite to them! I'm happy to help invite them!
 - Once your invites are sent, please call to invite them & please remind them 24 hrs before your event!
 - Let your friends all know that this is totally fun & free. It is a special time for girlfriends; however, they will have an opportunity to purchase products they choose at the end of the appointment.
 - Keep refreshments light! Plan to serve them at the end of the event while I am personally meeting with each guest individually.
 - Since this is a special night for you & your girlfriends, please know children are not encouraged to attend. As much as I love them, it makes our night hard & doesn't give you the attention, pampering & relaxation you & your guests deserve. Please make arrangements for kids.
 - As my special Queen (hostess!) you get pampered with special products just for you. Be sure to let me know what special items you'd like to try if you haven't already.
 - Use the Look Magazines inside to get outside sales for anyone who cannot attend. This will give you credit towards your total sales thus giving you more freebies!
- Because this is my business & I LOVE what I do, I will be there rain, sleet, snow or shine! Thank you for allowing me to count on you too! I feel blessed to be able to pamper you & your friends! However, if something drastic comes up & you need to reschedule, please do so 48-72 hours in advance.**

You're Fabulous!
