

NOW'S THE TIME TO BOOK

CLASSES I HAVE ON MY DATEBOOK

Call all of the names on your prospect list (use the script) and **DO NOT STOP** till you have at least 10 classes on your datebook. Remember, sometimes things come up and they don't always hold, so always have more **BOOKED** than you need to hold.

Attach this list to your **POWER START VOUCHER** when you have them booked (not held), and return ASAP.

A class needs at least 3 people present (18 or older)

(10 classes with 3 people each will complete your **POWER START**)
