Building \$500 Club Customers

One of our focuses this year is to build customers to the "\$500 Club" by encouraging them to shop with you for all their skin care, beauty, and gift needs. Let's track our customers, communicate with them,

and give them an incentive for reaching \$500 by December and again by June 30th.

100 "\$500 Club Customers" would generate \$25,000 profit for your household. Let's focus on building 50 by December and 50 more by June.

72 "\$500 Club Customers" is National Court of Sales.

36 "\$500 Club Customers" is Area Court of Sales.

No one delivers Golden Rule Service like we do!
