## 3. Who Do You Know?

Share names of your girlfriends that are the most underpampered, overstressed, overworked women you know who really deserve some pampering. These ladies need to be at least 18, not sitting at this table & to your knowledge they don't have a MK consultant. I'll be giving them a gift & a gift certificate in your name and it won't cost you a dime. So think about who's having a baby, a birthday or anniversary coming up, etc.
