# Honoring New Red Jackets!

Former Computer Analyst for Bank of America

Started her Mary Kay business as a single woman in February 2001 only to pay off credit card debt.

She earned her 1st free car in December 2002, a brand new shiny Red Pontiac Grand Am!

She debuted as an Independent Sales Director on February 1, 2003 and is the proud Sales Director of the Radiant Stars Unit! Nine months after debuting as a Director, Latricia gladly resigned from her Computer Analyst position at Bank of America, and in November 2003 she began working her Mary Kay business from home while being a full-time caregiver to her elderly mother.

Latricia has earned 7 free cars with Mary Kay and is currently in qualification for a 2015 Fluffy FREE Pink Cadillac by June 30, 2014!

Latricia breaks belief barriers and is a recruiting queen...completing 2 double gold medals in one day, the first on her last day of DIQ on January 31, 2003 and the second on February 28, 2014.

She has earned 15 Gold Medals and has been a Star Consultant for 34 Quarters! She also made her 1st appearance in the National Queens Court of Personal Sharing at Seminar 2013, earning her first 50th Anniversary Diamond Bumble Bee Pin.

Latricia was awarded the highest honor in Mary Kay, 2010 Miss Go-Give Award in the Brigit Briddle National Area.

Latricia's highest monthly income is \$7557. Her next immediate goal is to build her Unit size to 200 Unit Members so she can continue to enrich the lives of women and lead her Unit to Pink Cadillac Status and the \$300,000 Circle of Achievement this year!

Latricia's favorite quote is "FAILURE IS NOT AN OPTION". Her main message to women everywhere is that we must press toward the mark...because we can do all things through Christ...Philippians 3:14 and 4:13.
