

“Hi Suzie, this is Sherralynn, I have a little favor to ask you, do you have a minute? I need your help. I have these little packets and I have a goal to give them to 10 women who work. I thought of you, because I know how much you like a deal. All you have to do is take one and find a few people who want a few items. As long as you return it in 24 hours, and have taken orders for 10 items (not 10 people, just 10 items), you get to choose a really nice free gift. In addition to your free gift, you will also receive 40% off your next order. Would you be willing to take one for me?”

“Awesome! Can I bring it over _____?”

Thank you! See you then.”
