

# INSTRUCTIONS – WEEKLY ACCOMPLISHMENT SHEET

If you choose to complete weekly accomplishment sheets, the following instructional information provides suggestions on how to fill them out. Please note: The weekly accomplishment sheet is not a complete summary for income tax or accounting purposes.

## Hostess Name, Address, Phone

For selling appointments, list the hostess's name, address and telephone number: You might wish to make hash marks (H) to keep track of the number of calls you make when following up with customers. Do not list each call separately.

## Date/Time

Record the date and time of the activity.

## No. of Skin Care Sets Sold

Record the number of skin care sets sold at each activity.

## No. of Bookings

Record the number of future selling appointments booked from each activity.

## No. of Orders

Record the number of orders you received from a selling appointment, follow-up calls, etc.

## No. of Calls/Guests

Record how many calls you made if following up with customers. Record how many guests were present at a skin care class or other selling appointment (including hostess).

## No. of Hours Invested

Record how long an activity took to complete.

## Sales Tax

Record the total amount of sales tax collected.

## Sales (Less Tax)

Your retail sales total from sales tickets before tax (suggested retail sales before tax less any discounts). Separate by type of selling activity (skin care classes, shows, reorders, etc.).

## Product Given Away at Sugg. Retail

For inventory replacement purposes, record the suggested retail value of any Section 1 product you give away as hostess credit, sales incentives (i.e., a lip gloss given with the purchase of several lipstick products), or any products for personal use. When product is sold at less than suggested retail, record the amount of the discount (in dollars). For example, if you gave a customer a 10 percent birthday discount off an order totaling \$50, the discount amount appearing in this column would be \$5. By adding the sales less tax column to this column you will know the suggested retail value of the amount of product that has left your inventory during the week.

## Non-Recovered Sales Tax

Sales tax based on the suggested retail value of the product is remitted to the Company at the time an order is placed. Normally this sales tax is recovered at the time you resell the product to your customers. When product (Section 1) is given as hostess credit or sold at a price less than suggested retail, you may not recoup the sales tax from your customer in this manner. Record the amount of non-recovered sales tax on any Section 1 items, for use in tax preparation.

## Hostess Gifts/GWP at Cost

Record your cost for any hostess gifts (other than Section 1 product given away) or gifts with purchase you give away. This does not include Section 1 product given away.

## Mary Kay Weekly Accomplishment Sheet

Please note: The weekly accomplishment sheet is not a complete summary for income tax or accounting purposes. If you choose to, you can send a copy of this sheet to your Independent Sales Director. You may want to retain a copy for your files. Use additional sheets if necessary.
