6 Avenues of Income

Skin Care Classes

50% - One of the highest direct sales commissions paid in the United States
An Average class grosses approximately \$150.00. Attendance ranges from 3-6 people, a skin care class (with driving and set-up time) is approximately 3 hours, Average income per hour is \$25.00

Reorders

50% - Our product is consumable like sugar or bread, so reorders become a large part of our income.
An average customer using the Basic Skin Care plus a few glamour items will reorder approximately \$100 or more within a year.

Dovetails

15% - When unable to teach a class, another consultant will hold it and pay this dovetail fee to the consultant who actually booked the class. This area of income allows us to put our families before the business! This area of income also gives us the opportunity to double book.

Building a Team

This commission is paid directly from the Company in the form of a check. This bonus is never taken out of the Team Members' pockets. This will continue for as long as the Team Member and the "Recruiter" are active with the Company. 4% - 1, 2, 3, or 4 qualified team members, 9-13% - 5 or more team members.

Car Program

You and your team can earn a beautiful new car!
How much will you save not having a Car Payment or not having to pay for the Taxes, Registration, Emissions & Licensing of your Car & only paying 10% of your Insurance.

Directorship

9-13% Director's commission is paid to the Unit Director from the Company, and is based upon the Unit's monthly wholesale production. This commission comes in the form of a bonus check—and is *never* taken from the consultants' pockets.
