The user interface of the site is shabby and acceptable considering the massive sources of 720p/1080p HD movies. The above sites allow users to download HD movies in formats that can be directly played on media players. For those who want to watch 2022 movies in HD, there are many other sites that can help. On these torrent sites, users can easily download the latest English, Hindi and Tamil free full movies in 1080P, 720P and even 4K UHD. However, more and more copyrighted movie sources are making these sites illegal. Sites like Kickass, Torrentz, ExtraTorrent, The Pirate Bay, YTS, IsoHunt, etc are popular HD movie torrent download sites where you can download free 1080P, 720P, 4K UHD movies from latest Hollywood/Bollywood. Apart from the potential legal risk of downloading copyrighted content and virus infection, the above download sites work fine/video quality. But when it comes to playing HD videos on Android/iPhone/iPad, these sites are not suitable due to their large size and wrong format. But HD video downloader - MacX Video Converter Pro can help. Downloads HD 1080p/720p, 4K videos for free from over 1000 websites like DailyMotion, Facebook, Vimeo, Myspace, Metacafe, etc. You can save Bollywood Hollywood HD videos regardless of dubbed video or original HD video with English subtitles, Hindi, Tamil and Telugu. Moreover, you can convert downloaded HD videos to 3GP, MP4, MOV, AVI, etc. to play on Mac/PC, iPhone, iPad, Samsung, etc. What's more, with this tool, you won't have to wait, just a few minutes to watch HD 1080p videos in original quality. Step 1. Launch the HD video downloader, click the YouTube icon, copy and paste the video URL into the address bar, then click "Analyze" to download the video information. Step 2 Click the "Browse" button to specify the output folder on your computer to save the output files. Step 3. Click "Automatically add to conversion list" and select the format or devices you want to download HD video for free, such as MP4, 3GP, MKV, iPhone or Android Samsung, etc. Step 4. Click "Download Now" . button to start the process. Tips: There are many new movies available on DVD. Instead of looking for HD movie download sites that are not safe, you can buy legal DVD movies and use a DVD ripper to rip these DVDs - discs in MP4 digital video formats, AVI, MOV, etc. to play them on iPhone, iPad, Android, PC, Mac, etc. with superior HD viewing quality or store them on NAS, hard drive, in cloud note.
